Jesus Christ is the True God And Eternal Life

***But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.
Daniel 12:4***

Go your way, Daniel, for the words are closed up and sealed till the time of the end. Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand.

Daniel 12:9-10

HOW TO LEAVE THE CAMP OF SATAN

(Updated on 01 01 2024)

1- Introduction

As the word of God tells us in 1John 5:19, "... *the whole world is under the control of the evil one.*" Satan has succeeded in polluting the whole world with witchcraft, to the point where it becomes difficult to find people not involved in witchcraft. Not only are the majority of those who populate the earth people who came into the world with their witchcraft, but even among those who were born without witchcraft, many have been initiated into it.

When you are in witchcraft, in magic, or in one of the various satanic sects that flood the world today, you are in the camp of satan. Some have entered the camp of satan involuntarily and unknowingly, either because of ignorance or because of negligence. Others on the other hand have voluntarily and consciously entered into it, because of greed, or the search for glory, or the search for an easy life, or vanity, or pride of life, etc.

But no matter how you ended up in satan's camp, or why you ended up there, the result is the same, unfortunately. You are under the control of satan, and you are in the service of satan. If you happen to die, it is in Hell that you will find yourself, to spend your eternity there. It is conscious of the danger that awaits all those who are in the camp of satan, that I found it better to put this teaching at your disposal. This message is therefore addressed to anyone who is still in the camp of satan.

2- This is the time to escape from Hell

Dear friend, you who are still in in the camp of satan, whether you are a satanist or a simple sorcerer, whether you are an agent of the underwater world or an agent of any other kingdom of satan, whatever grade you have or the rank you occupy in the camp of satan, this message is addressed to you.

Satan and all those who serve him will end up in Hell. Whether you are a sorcerer, that is, a low-level agent of satan who serves the devil without seeing him, and who works only with evil spirits, or whether you are a satanist, that is, a high-level agent of satan who attends meetings and gatherings with satan, it is Hell that awaits you for eternity if you remain in this camp.

Know that you can leave the camp of satan if you want to, and join the camp of Jesus Christ, to be set free from all the power of satan, and be saved for eternity. All you have to do is to sincerely confess all your practices of witchcraft and all your works of darkness, with the firm commitment to renounce them for good. This teaching explains to you what you must do if you want to confess your works of witchcraft and leave the camp of satan for good.

3- How to confess witchcraft?

You, who are still in witchcraft, know that you cannot hope to be forgiven by God and to be delivered unless you make an **honest and complete** repentance. If you make a semblance of repentance, or if you confess some of your works while hiding others, or if you confess your deeds in a vague and veiled manner,

that is to say with cunning, you are wasting your time. If you pretend to confess your deeds of witchcraft but choose to hide certain details, you will not obtain forgiveness, because God knows that you are lying, and your deliverance will **never** be possible.

Pacts signed with satan are **never** broken until they are totally and honestly confessed. Satan knows that very well; that is why he makes every effort to keep sorcerers in lies whenever they want to confess their deeds. Satan knows that if you make a true repentance, you will be forgiven. He also knows that a single grain of lies will nullify all your confession. So, it's up to you to know what you want.

Bear in mind very well that all practices and all works of witchcraft must be denounced for deliverance to occur. The contrary is not possible. That is exactly why many of those who believe to have confessed witchcraft are still stuck in their witchcraft. Despite the deliverance they believe to have received, they are still in the camp of satan. Know therefore that you stand to win when you are honest, and that you are the only loser if you choose to lie. Your salvation is at stake. As long as you remain in the camp of satan, it is Hell that awaits you.

4- Beware of lying

Many agents of satan who have sworn to remain faithful to their master satan, refuse to confess their works of witchcraft, even when God gives them the opportunity to do so by laying bare their works. When they find themselves incapable of denying their witchcraft when the Lord has exposed them, these agents of Hell resort to seduction. While some claim to be in "**unconscious witchcraft**", others claim to be victims of "**nightmares**".

The terms "*unconscious witchcraft*" and "*nightmares*" have become instruments of lies in their mouths. What they don't know is that when they end up in Hell, their master satan will be unable to help them. On the contrary, he will even be the first to torture them. **All of you agents of satan who claim each time to be in unconscious sorcery or victims of nightmares, know that in the fire of Hell your unconscious sorcery will become conscious, and your nightmares will become reality.** You are warned!

5- Steps of the confession of witchcraft

Here are the different steps to follow to confess all the works of witchcraft in order to hope to be forgiven and/or delivered.

1- Explain when and how you were initiated into witchcraft.

There are sorcerers who say they do not know when and how they were initiated into witchcraft. Some even say that as far as they know they have never been initiated. This is often the case of those who are born with their witchcraft. Therefore, if you are practicing witchcraft, but cannot explain when and how you were initiated, it means you are one of those born with witchcraft. In this case, just mention in your confession that you were born with your witchcraft.

2- Say how long you have been operating.

- 3- Confess every act of witchcraft.
- 4- Name all the people who have been victims of your witchcraft.
- 5-Say ***in details*** what you did to each one of them.
- 6-Give the names of all those with whom you work, without leaving out any.
- 7- Give the names of all those you have succeeded in initiating into witchcraft, children and adults.
- 8- Give the names of all those you have tried to initiate without success, children and adults, and explain why the initiation did not succeed.
- 9- Give the names of each person on whom you have made incantations. Explain the different types of incantations you have made against everyone mentioned.
- 10- If you are an agent of satan on a mission in a Church, name all the other sorcerers you know in that Church, even if you do not work in the same team.
- 11- If you are an agent of satan on a mission in the Church in general, you must imperatively reveal the mission that has been entrusted to you and your companions, and you must name all your companions.
- 12- List all the acts of wickedness that you have committed.

6- Why do we have to make confession in this way?

Because there is no other way. God will never forgive you as long as the people you hold captive by your witchcraft are still bound. By calling each name of the people against whom you have made incantations, and by giving details of what you have done against these people, you pave the way for their deliverance, and hence, for your own deliverance. ***God will not deliver you when He knows you are deliberately holding other people captive.*** This is not possible.

After making a true confession, you will have the opportunity to ask for forgiveness to all your victims who are still alive. If you willingly choose to hide some of your deeds or practices of witchcraft, you can be sure that your deliverance will not happen, and that you will ***never*** obtain forgiveness. And if you forget a few things, while being honest in your heart, the Lord will remind you of the forgotten things. Every lie that you will add to the confession will invalidate the whole confession.

All those who thought they had already confessed their witchcraft but who still find themselves in the same practices, must understand that their confession was not properly done. It must be redone.

If your works of witchcraft are clearly visible, and yet you do not think you are a sorcerer and do not know what to confess, it means you are a demon. Someone who bears the fruits of satan, but who cannot acknowledge and confess them to be forgiven and delivered, is a demon, that is to say a person who will not be saved. Because it is impossible for anyone to be saved without repentance and without deliverance. It's impossible.

If therefore you are an agent of satan, and you believe to be of those who can be saved, know that it will **imperatively** be through confession of all your works and the renunciation of all the fruits of satan. Before choosing to be stubborn and remaining in lies by pretending not to know what to confess, remember that Hell awaits you. Stop deceiving yourself!

7- Beware of seduction

When the Lord asks you to confess Sorcery, do not go into distraction to confess theft, lies, debauchery, immorality, and other sins. **Confess only sorcery.** If you have other sins to confess, you will do so separately and not by mixing them with witchcraft. And if you hope to obtain any forgiveness following your confession, do not try to justify yourself, just acknowledge your works and your practices and confess them.

8- Conclusion

Satan spends time intimidating and threatening his agents, telling them that if they confess their works they will die. **Do not let satan frighten you. When you accept Jesus Christ, your life or your death now depends on Him.** Confess all your deeds honestly and sincerely, and the Lord Jesus may protect you against any vengeance from satan. But even if He chose to let you die, you will be saved for eternity. Matthew 16:26 says: *"For what profit is it to a man if he gains the whole world, and loses his own soul?"* And Philippians 1:21 adds, *"For Christ is my life, and death is my gain."*

Grace to all who love our Lord Jesus Christ with an undying love!
